Number of Victims: 0

Types of Injuries Sustained: N/A

Injury Outcomes: N/A

Number of Events with Evacuations: 0

Number of People Evacuated: N/A

Interesting Events:

November 2004 – The driver of a truck noticed a liquid coming from the top of the trailer as he was leaving a facility. The nuts holding the 20 inch manway in place had not been properly tightened causing the release of 5 gallons of hypochlorite. The nuts were tightened and the release was properly cleaned.
